# Somewhere Over the Rainbow

Somewhere over the rainbow, way up high,  
There's a land that I heard of once in a lullaby.

Somewhere over the rainbow, skies are blue,  
And the dreams that you dare to dream really do come true.

Someday I'll wish upon a star,  
and wake up where the clouds are far behind me.  
Where troubles melt like lemon drops,  
away above the chimney tops, that's where you'll find me.

Somewhere over the rainbow, bluebirds fly.  
Birds fly over the rainbow, why then, oh why can't I?

If happy little bluebirds fly, beyond the rainbow  
Why, oh why can't I?

Props for Singing ...print on cardstock, laminate: use as magnets or tape to popsicle sticks to use when singing!
